We, ________________________________________, ________________________________________, ________________________________________,
_______________________________________, ________________________________________, ________________________________________,
_______________________________________, ________________________________________, ________________________________________,
_______________________________________, ________________________________________, ________________________________________;
hereby grant that we have the rights/permissions to post all content in these Products online and give permission to the Center for Lunar Science and Exploration to make our presentations/research products from the *Exploration of the Moon and Asteroids by Secondary Students* program available non-exclusively through the Center for Lunar Science and Exploration’s website. These items will be made available indefinitely, but not permanently, and no attempt will be made to migrate them technically over time. The student(s)/teacher retains all other rights regarding this material. We understand that the submitted material will be accessible via the World Wide Web.
