## Lunar and Planetary Science Conference Dual-Projection Visual Aids Schedule

Speaker's Name	Talk No

This form must be filled out completely in <u>ink</u> (do not use pencil) and given with your slides to the projectionist prior to the first talk of the session. Please follow these instructions:

- 1. Number all slides. Holding slide in its proper orientation, mark slide presentation order number upside-down in lower lefthand corner.
- 2. Have slide in proper orientation and in order before handing to the projectionist.
- 3. On this form, list slide number on the left or right screen as you wish it to be shown.
- 4. When you wish to have a viewgraph shown, clearly indicate so on the form. Viewgraphs may be numbered in sequence with slides.
