

Primitive Bodies

- **Windows to the Past**
 - **Genesis of volatiles, organics, and life**
 - **Delivery of material throughout Solar System**
 - **Building blocks of planets**
 - **Connect to extrasolar debris disks and ISM**

Priorities

- **Launch New Horizons 2**
 - Tailored to desired KBO
 - Fulfill highest priority of Decadal Survey
 - Cost cannot be beat
 - Timing cannot be beat
 - **But must act now!**

Priorities (2)

- **Trojan asteroid rendezvous and lander (?)**
- **Flyby/Rendezvous of Centaur (Pholus or Chiron)**
- **Comet Surface Sample Return**
 - **Need technical feasibility study ASAP**
- **Follow evolutionary path of outer solar system minor bodies and examine their diversity**
