

# NASA Planetary Science Division

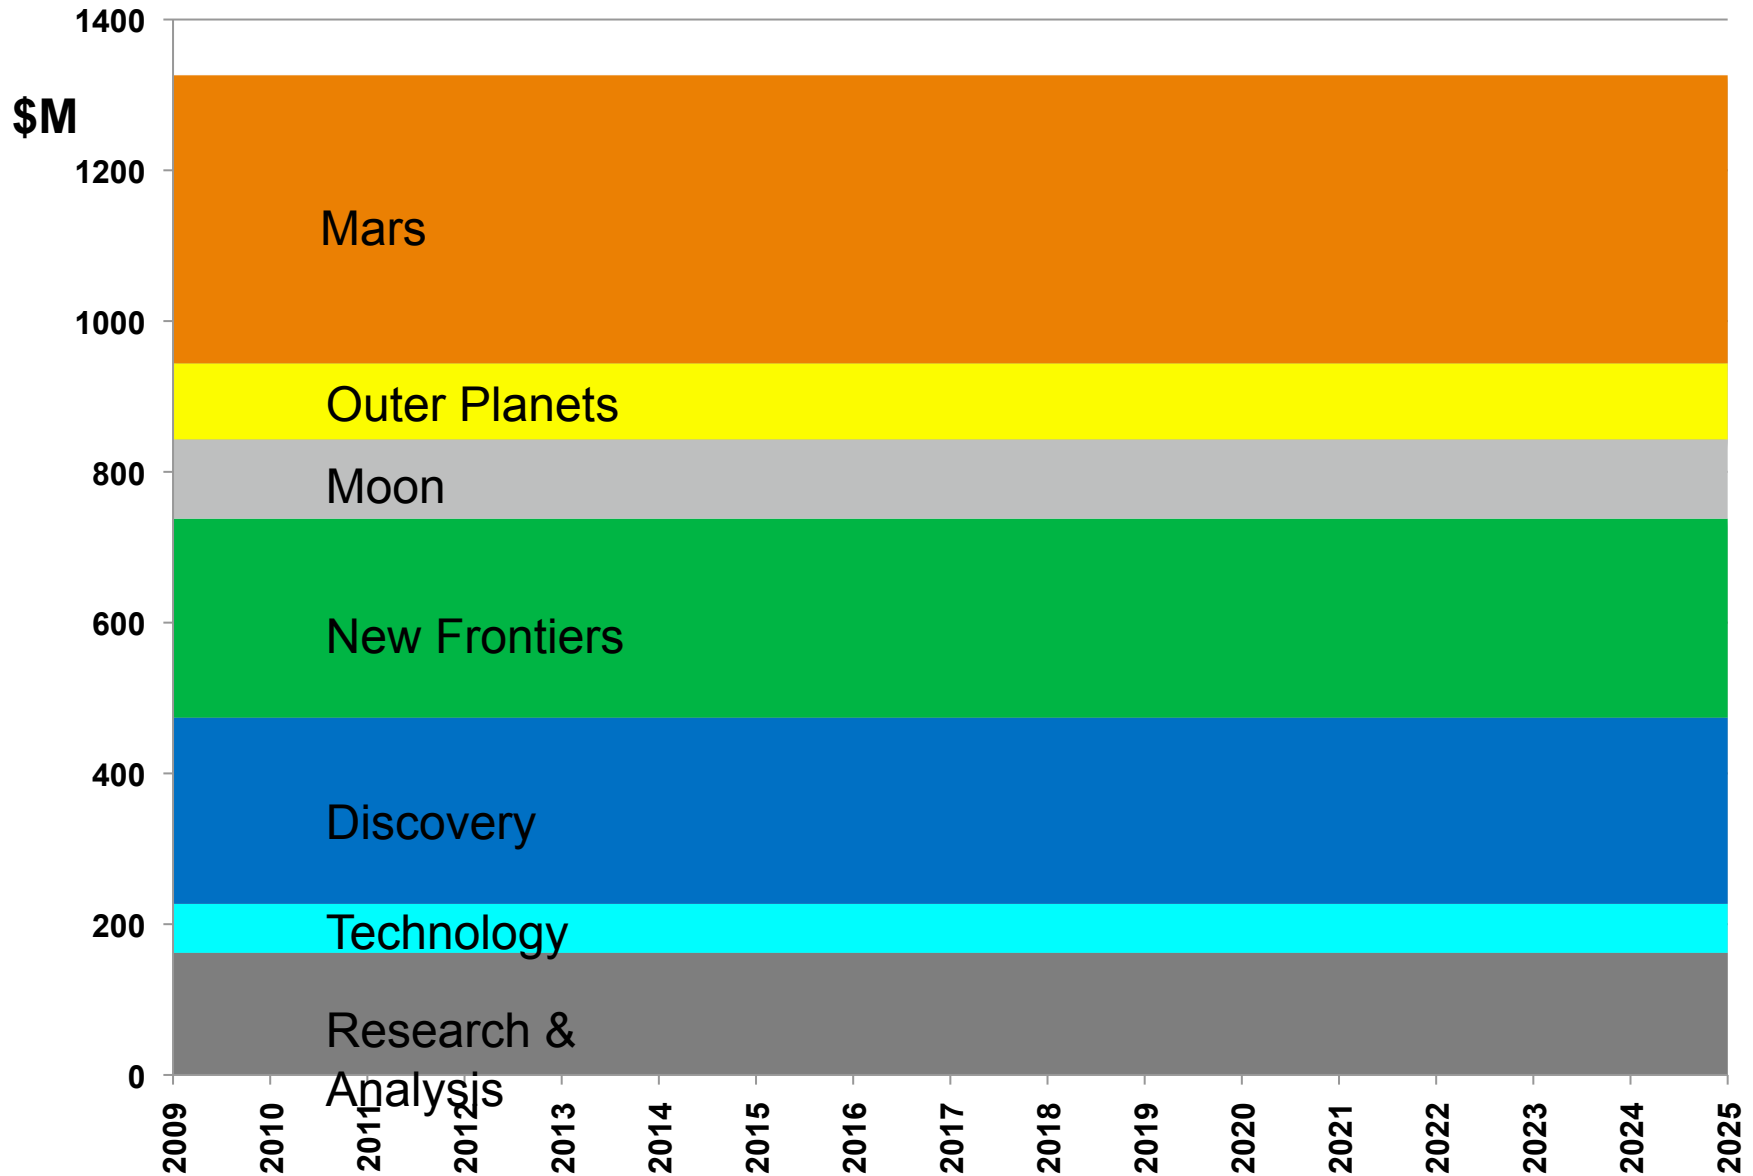

## *How to fit flagship missions into the budget? A Discussion*

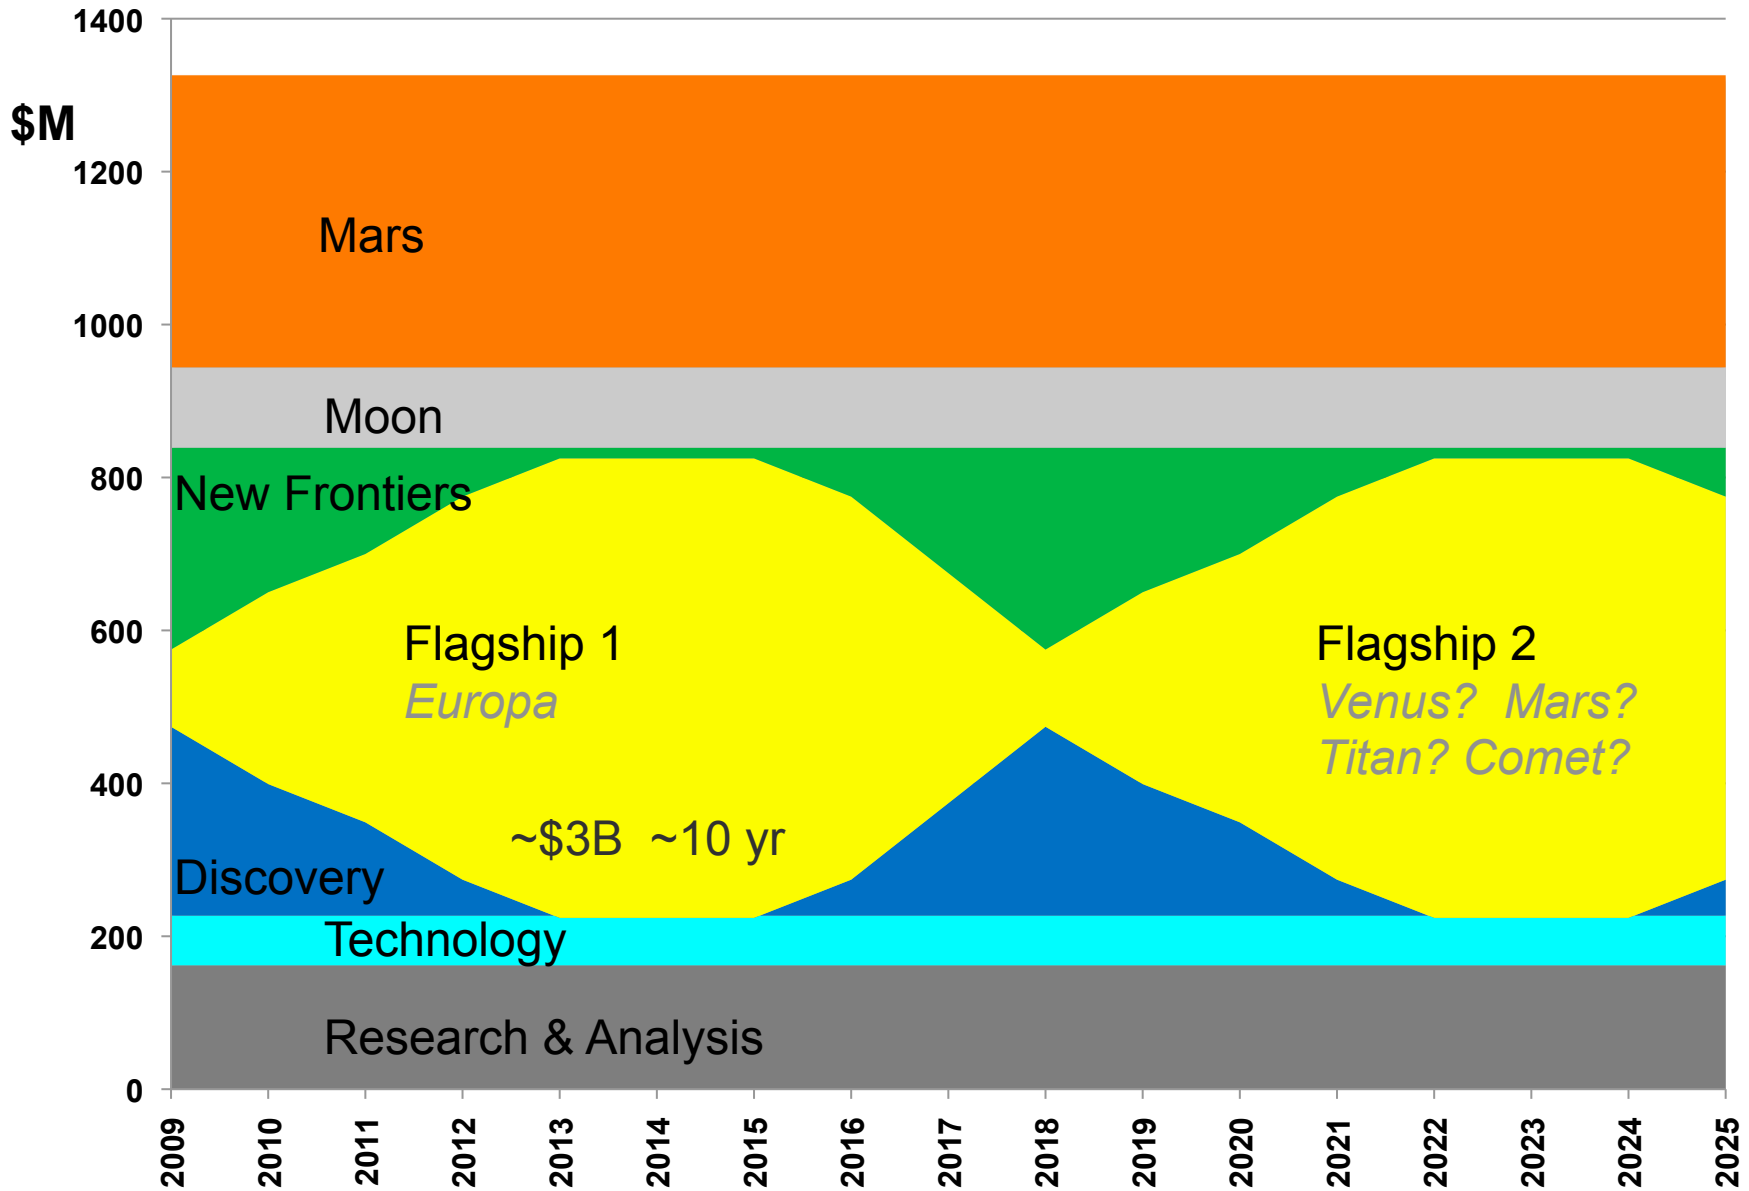

009

PSD budget  
Presented to  
PSS by Jim Green  
July 2009

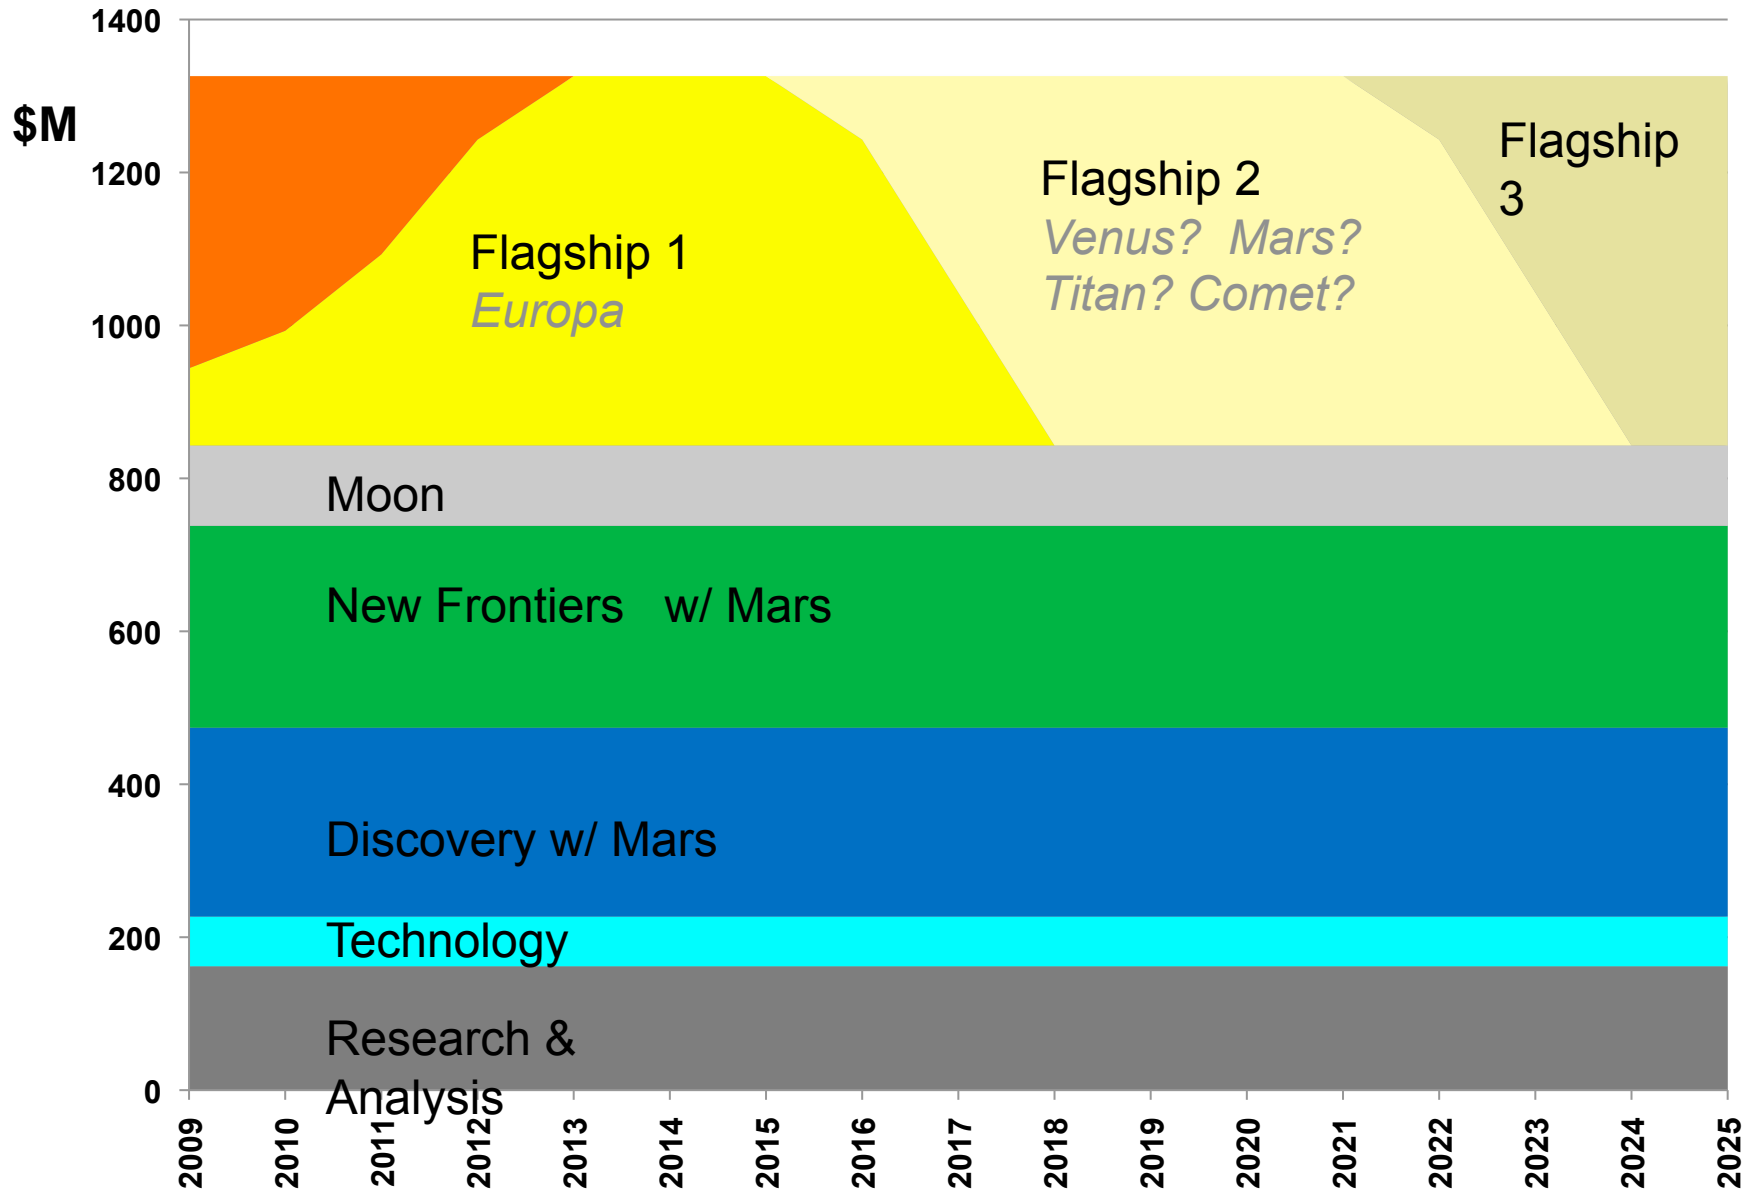

# Continuing as Present – FY2009

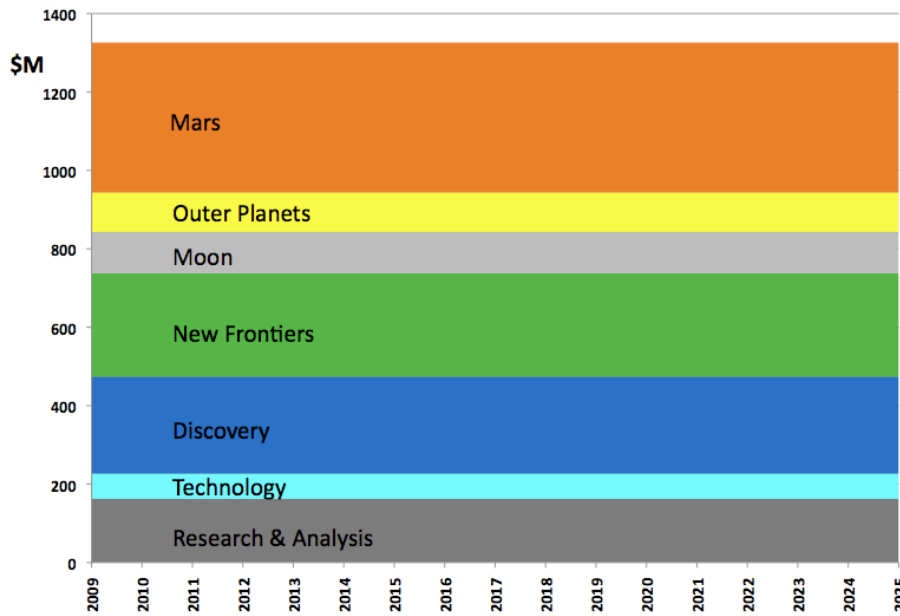

# Using NF & Disco to Pay for Flagship Missions

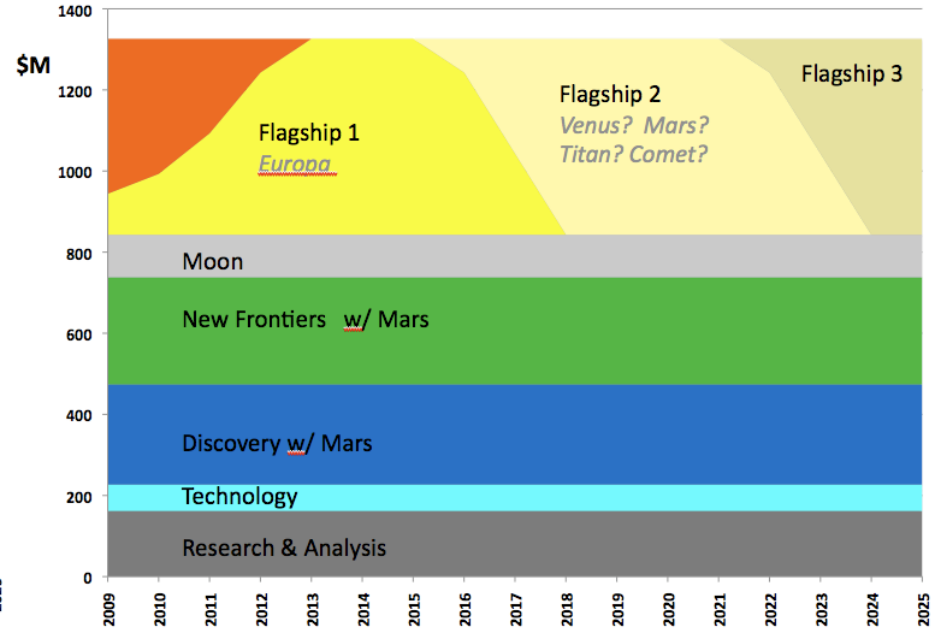

# Integrating Mars into the Solar System

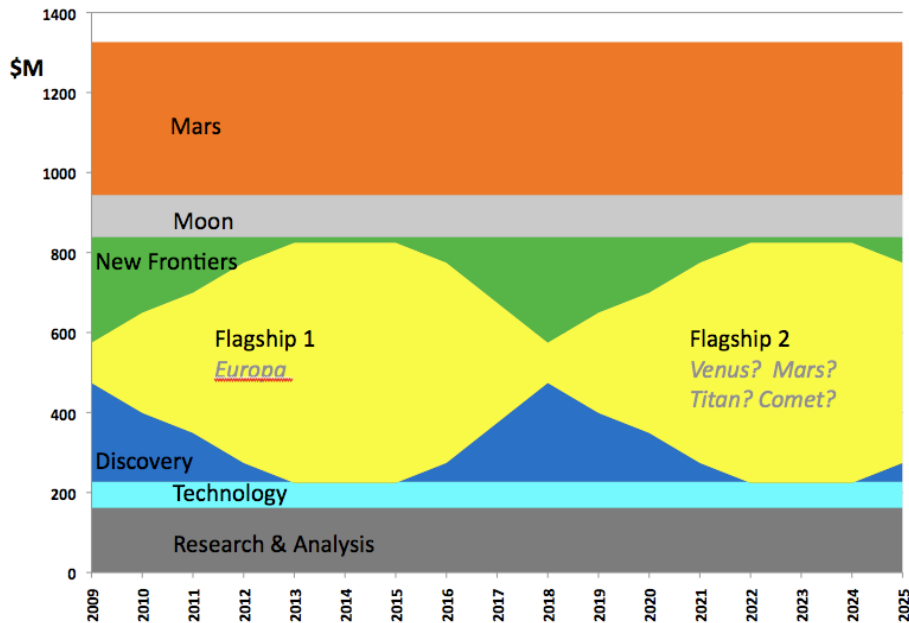

**Continuing as Present – FY2009**

**Integrating Mars into the Solar System**

**Using NF & Disco to Pay or Flagship Missions**

If we want flagship missions... **YES!**  
 If budgets are limited... *probably*  
 then ... **hard choices have to be made**

Who decides?  
 ... Decadal Survey? PSS? HQ?  
 Congress?

Based on?  
 ... Science? Engineering? Lobbying?
