

VEXAG MEETING #15, NOVEMBER 14-16, 2017

Venus Exploration Analysis Group (VEXAG) Meeting #15 will be held on Tuesday-Thursday, November 14-16, 2017, at the Applied Physics Laboratory, Laurel, Maryland.

Current plans are:

Tuesday, November 14, 2017 - NASA and Mission Reports

Wednesday, November 15, 2017 - Venus Science and Technology Reports

Thursday, November 16, 2017 - VEXAG Activities (adjourn at mid-day)

If you'll be attending in person and haven't done so already, please enter your name on the Meeting Registration/Intent to Attend Form on the VEXAG Web-Site:

https://www.hou.usra.edu/meeting_portal/registration/?mtg=vexag2017

on or before October 29. Look for a one-page abstract call in the summer.
