The Lunar and Planetary Institute (LPI) invites undergraduates with at least 50 semester hours of credit to experience research in the planetary sciences. As a summer intern, you will work one-on-one with a scientist either at the LPI or NASA Johnson Space Center on a research project of current interest in planetary science. Furthermore, you will participate in peer-reviewed research, learn from top-notch planetary scientists, and preview various careers in science.

- 10-week program (June 2, 2014 – August 8, 2014)
- $5000.00 stipend plus $1000.00 U.S. travel stipend ($1500.00 foreign travel reimbursement)
