Name: _____

Nurturing Life

What does life need?

1. _____
2. _____
3. _____
4. _____

What is it like on Mars?

(Circle your choices)

Hot

Windy

Cold

Dry

Wet

What might life look like on Mars (now or in past)?

(Circle your choices)

(Animal)

(Microbes)

(Plant)

Keep a weekly journal to track your plants' development at home.

- Fill in the month and days on the calendar below.
- Use the calendar to help you provide the proper care for your plant—based upon the 4 requirements for life that you learned. You should mark the days that you water or make observations.

Month:

Sun	Mon	Tue	Wed	Thu	Fri	Sat
