# Call for CLOC-SAT Member Nominations

---

- **CLOC-SAT seeks to represent the lunar community through an open call for membership**
  - Members are sought with diverse backgrounds across relevant science and technical areas
  - Members will meet virtually several times a month from April through August
  - All members will contribute to the report, coordinated by the co-chairs
- **Nomination Format**
  - CV / Resume (maximum 2 pages)
  - Statement of Interest (maximum 1 page or ~600 word email)
- **Email nominations to [clocsat@gmail.com](mailto:clocsat@gmail.com) (open now through March 4, 2022)**

# Call for White Papers

---

- **White paper are the most direct way to provide information into CLOC-SAT discussions**
  - It is essential that a broad range of interests and concerns are heard as well as specific recommendations.
  - Include elements of **Why** (rationale), **What** (specific recommendations), **How** (orbit, timing, data rate needs) as appropriate.
- **Format**
  - Cover page including co-authors / signatories
  - Recommended maximum main body length of 3 pages
  - Unlimited references or links (provide complete info: e.g. authors, title, journal, year, etc.)
- **Email white papers to [clocsat@gmail.com](mailto:clocsat@gmail.com) (open now through March 31, 2022)**

# Q&A
