Time Cycle Sensitive Component List
for LSPE

ATM 1041

PAGE 1 OF 1

DATE 6 August 1971

The time/cycle sensitive list for LSPE is shown below. These parts are the only ones in which a possibility exists that they may be operated or cycled close to their design limit. Logs will be kept on the cycling to insure that the design limits are not exceeded.

<u>Description</u>	<u>Vendor & Type</u>	<u>Usage</u>
1. Capacitors, Variable	Johanson JMC Series SCD No. 2346283	LSPE
2. Safe/Arm Slide Timer	Bulova SCD #2348420	LSPE
3. Thermal Battery Timer	Bulova SCD #2348418	LSPE
