

# **WORKSHOP ON ENABLING EXPLORATION: THE LUNAR OUTPOST AND BEYOND**

**October 1–5, 2007 Houston, Texas**

## **Instructions for Poster Presentations**

Poster sessions are scheduled for Wednesday and Thursday evenings, October 3 and 4. Posters may be installed on Tuesday morning and will be left on display through noon on Friday, October 5, at which time they must be removed. Authors must be present at their scheduled session to discuss their poster.

Each poster will have a space 44" × 44" (1.1 m × 1.1 m) for display. Posters will be displayed on free-standing panels that are 4' × 8' (122 cm × 244 cm) (inside frame). Two presenters will share one side of one panel, so it is important that displays do not exceed the size limits. Due to space limitations, tables, computers, video equipment, etc., cannot be accommodated as a part of a poster display.
