

LEAG Annual Meeting

16-19 November, 2009

LPI, Houston, Texas

Executive Summary

Date Prepared: Oct 16, 2009

Presenter's Name: Carle Pieters [and the M³ Team]

Presenter's Title: Prof.

Presenter's Organization/Company: Brown University

Presentation Title

Water, Water Everywhere?

Key Ideas

Surficial H₂O and OH on the Moon is now undisputed, and there are implications for other airless bodies in the solar system. Detailed research is needed to characterize and utilize this new information.
