

2008 LPSC HOTEL LIST BY SHUTTLE ROUTE

Hotels that will be serviced by the 39th LPSC shuttle service are listed below, in order of shuttle pickup. This year, the shuttle schedule has been expanded to allow for service to additional hotels in the area. Due to road construction and heavy traffic during peak travel times, please allow plenty of time for traveling to and from conference activities. For a complete listing of area hotels or a map showing the location of hotels, please see the [2008 Hotel Information list](#) or [Map of the Bay Area](#).
