

March 2–4, 2010

The Town Center at
The Woodlands Waterway Marriott Convention Center
The Woodlands, Texas

Companies, publishers, planetariums, government agencies, educational institutions, scientific societies, and others are invited to take advantage of an opportunity to exhibit the latest in scientific instruments and software, books and journals, educational products and programs, and other material and information of interest to the scientific community. Attendees at this conference represent a broad spectrum of the lunar and planetary science community, and include representatives from government, academia, and private industry.

We will be offering a limited number of 10' × 10' draped exhibit booths. Each exhibit space will be supplied with an 8' high background and 3' high side-rail divider. In addition to the drapery, included in each 10' × 10' booth will be

- 1 – 6' × 30" high draped table, topped and skirted on three sides
- 2 – side chairs
- 1 – wastebasket with liner
- 1 – 7" × 44", black on white identification sign depicting organization name and booth number

* Internet access is available but must be arranged through the hotel. If you will need Internet access at your booth, please contact Diego Solis, Director of Event Technology at the Woodlands Waterway Marriott (phone: 281-681-5732; e-mail: diego.solis@marriott.com).

Information about additional booth furnishings available for rent, setup, shipping, and delivery will be available later.

The exhibit booth area will be co-located with the poster presentations, with highlighted poster sessions on Tuesday, March 2, and Thursday, March 4, from 6:30 to 9:30 p.m.

Exhibit Setup: Tuesday, March 2, between 8:00 a.m. and 6:30 p.m.
All exhibits must be removed by NOON on Friday, March 5.

Exhibit Hours*: Tuesday, March 2, 6:30 to 9:30 p.m.;
Wednesday, March 3, 8:00 a.m. to 6:00 p.m.;
Thursday, March 4, 8:00 a.m. to 9:30 p.m.

*Exhibitors are encouraged, but not required, to be at their booths during these hours. Because the exhibits are co-located with the poster presentations, security will not be provided during these hours.

Booth Rates —

Commercial: \$700.00

Educational/Not-for-Profit: \$300.00

Commercial exhibitors will receive **TWO** exhibitor badges per booth, which will allow access to all technical sessions. Educational/Not-for-Profit exhibitors will receive **ONE** exhibitor badge per booth. In addition, each exhibitor will receive a meeting program.

To register, please use the **electronic form** provided. You must provide your company's profile (75 words or less) for inclusion in the conference program.

Deadlines for booth reservation, payment, and vendor profile: **Extended to February 19, 2010, but exhibitors must register by January 29 to be included in the program booklet.**

Questions may be directed to Mary Cloud, Manager, LPI Publications and Program Services, phone: 281-486-2143
e-mail: cloud@lpi.usra.edu

Exhibits must be related to the scientific interests of the lunar and planetary community.

We reserve the right to determine the eligibility of any company applying for exhibit space at this meeting. Lease of an exhibit space to an exhibitor does not constitute endorsement of the exhibitor's products or services by LPI, USRA, or NASA.
