The full listing for that session will appear in your browser window. To view a particular abstract,
click on the title you're interested in.*

Monday, August 28, 2000

8:30 a.m.	Opening Plenary Session	Ballroom of the Americas
11:30 a.m.	Meteoritical Society Business Meeting	Ballroom of the Americas
1:30 p.m.	Differentiated Meteorites	Ballroom of the Americas West
1:30 p.m.	Isotopic Anomalies	Ballroom of the Americas East

Tuesday, August 29, 2000

8:30 a.m.	Special Session: Presolar Grains	Ballroom of the Americas West
8:30 a.m.	Mars: Rocks, Fluids, and Volatiles	Ballroom of the Americas East
1:30 p.m.	Refractory Inclusions	Ballroom of the Americas West
1:30 p.m.	More Martian Meteorites	Ballroom of the Americas East
3:30 p.m.	IDPs and Micrometeorites	Ballroom of the Americas East
6:00 p.m.	Barbeque Dinner	Kersten Physics Teaching Center University of Chicago
7:00 p.m.	Poster Session	Kersten Physics Teaching Center University of Chicago

Chondrites

Refractory Inclusions

Early Solar System Processes and Chronology

Isotopic Anomalies

Asteroids, Moons, Mars, and Io

Martian Meteorites

Differentiated Meteorites

Micrometeorites

Presolar Grains

Bolides and Impacts

Miscellaneous

Wednesday, August 30, 2000

8:30 a.m.	Asteroids and the Moon	Ballroom of the Americas West
8:30 a.m.	Chondrules	Ballroom of the Americas East
6:30 p.m.	Awards Program	James Simpson Theatre Field Museum of Natural History
7:30 p.m.	Banquet	Adler Planetarium

Thursday, August 31, 2000

8:30 a.m.	Special Session: Current Missions and Future Sample Returns	Ballroom of the Americas West
8:30 a.m.	Carbonaceous and Enstatite Chondrites	Ballroom of the Americas East
1:30 p.m.	Impacts and Shock Metamorphism	Ballroom of the Americas West
1:30 p.m.	Carbonaceous Chondrites: Aqueous Alteration	Ballroom of the Americas East
5:00 p.m.	History of the Meteoritical Society	Ballroom of the Americas

Friday, September 1, 2000

8:30 a.m.	Early Solar System Processes and Chronology	Ballroom of the Americas West
8:30 a.m.	Ordinary Chondrites	Ballroom of the Americas East

Print-Only Presentations
