Please indicate your preference of breakout session on *Wednesday, February 11, 2009, from 8:30 a.m.–noon.*

- Breakout 1. FSP: Technology Project Development Status
- Breakout 2. RPS: Ensuring an Adequate Radioisotope Supply
- Breakout 3. NTP: Architecture Impacts / Technology Gaps and Development Needs

Please indicate your preference of breakout session on *Wednesday, February 11, 2009, from 1:15–5:15 p.m.*

- Breakout 4. FSP: Affordable Development, Testing, and Launch Approaches
- Breakout 5. RPS: Missions: Science and Exploration Technology Gaps and Development
- Breakout 6. Architecture Sub-System Impacts of High Power — continued discussion

Note: Foreign nationals must submit a participant application by December 19, 2008, in order to obtain security clearance. Other participants are strongly encouraged to submit an application by December 19, 2008, due to limited space availability.

Note to civil servants: The Space Nuclear Systems Forum 2009 is a training event that is being held at a NASA facility with no registration fee. This event falls outside the designation of a “NASA Conference.”
