

OPAG Newsletter  
17 February 2015

Dear Colleagues,

We are looking forward to seeing you at the upcoming OPAG meeting, taking place 19-20 February 2015, at NASA Ames Research Center. A new agenda is posted. Webex info is below for those dialing in.

If you are staying near the San Jose airport, please be aware that there will be heavy traffic to and from the meeting site. Carpooling is encouraged, and be sure to leave plenty of time to get to the meeting.

We will continue to work on our science goals document. The current version, incorporating most of the comments we've received to-date, is posted on the OPAG website: <http://www.lpi.usra.edu/opag/>. At this meeting we will be working on the big picture and over-arching themes.

To celebrate the Europa mission new start (woohooo!!) there will be an evening event on Thursday night. Details are below.

Sincerely,  
Candy Hansen
