

The logo for the Mars workshop, featuring the word "MARS" in a stylized font where the letter "A" is replaced by a red dot with a white outline, resembling the planet Mars.

First Landing Site/Exploration Zone  
Workshop for Human Missions  
to the Surface of Mars

October 27–30, 2015  
Houston, TX

Dear Colleagues:

With the U.S. Labor Day weekend coming up, we wanted to send a quick reminder about the abstract deadline for the Human Landing Sites / Exploration Zones Workshop at the end of October. The deadline is in one week: Thursday, September 10 at 5:00PM Central Time.

For more information, visit: <http://www.hou.usra.edu/meetings/explorationzone2015>

Limited travel funding is available to help support attendance at the workshop. Note our website for additional details.

If you have any questions, please contact us at:  
[NASA-Mars-Exploration-Zones@mail.nasa.gov](mailto:NASA-Mars-Exploration-Zones@mail.nasa.gov)

We sincerely hope that you will consider participating in this enabling effort.

Many thanks and have a great holiday weekend.

Sincerely,

A handwritten signature in blue ink that reads "Ben Bussey".

Ben Bussey  
Chief Exploration Scientist  
Human Explorations and Operations  
Mission Directorate

A handwritten signature in blue ink that reads "Richard M. Davis".

Richard M. Davis  
Assistant Director for Science  
and Exploration  
Science Mission Directorate

Co-Chairs, Human Landing Sites Study Steering Committee
