

# COMETS III – Expression of Interest

*A prospective new volume in the Space Science Series, University of  
Arizona Press (Tentative publication: 2023)*

**Response requested by October 15, 2019**

Name:

Institution:

Email:

Check all that apply:

(All answers are non-binding; this is simply an indication of interest.)

I am interested in participating as a chapter co-author.

I am interested in participating as a Scientific Organizing  
Committee (SOC) member.

I am interested in serving as one of the science co-editors.

For each item checked above, give a brief description of the topic or area of expertise  
that you propose to contribute toward creating the COMETS III volume.

Questions may be addressed to Richard Binzel, General Editor of the Space Science Series.
