

Appendices

A.	Center for Lunar Science and Exploration.....	207
B.	Curriculum for 2009 and 2013 Classes of Astronauts.....	209
C.	Astronauts in Training Programs & Mission Simulations Developed w/ LPI Support.....	211
D.	CLSE Contributions to Artemis (April 2019 – June 2023).....	213
E.	Astronaut Recognition of LPI’s Contributions.....	241
F.	Schematic Diagrams of Impact Crater Processes.....	247
G.	San Francisco Volcanic Field, Northern Arizona.....	265
H.	Integrated Science and Flight Operations.....	473
I.	Astronaut Training in the Southwestern United States.....	477
J.	Scale of Shackleton Crater.....	479
K.	Lunar Surface Field Geology, Geologic Samples, and Scientific Outcomes.....	489
L.	Meteor Crater Geologic Guidebooks.....	495
M.	Astronaut’s Guidebook to Terrestrial Impact Craters.....	497
N.	Video Simulations of Impact Cratering Processes.....	499
O.	Pinacate Volcanic Field, Northern Sonora.....	525
P.	Kilbourne Hole, New Mexico.....	545
Q.	Ries Crater, Germany.....	549
R.	Sudbury Impact Structure, Ontario, Canada.....	555
S.	EVA Geologic Sample Mass.....	567
