

Student and Early Career Travel Grants for CCCTP3 Meeting

Student and early career (less than 8 years from PhD) travel support will be available for the Comparative Climatology of Terrestrial Planets Meeting #3 (CCTP3), scheduled for August 27-30, 2018 at the Lunar and Planetary Institute, Houston, Texas. Go to:

<http://www.hou.usra.edu/meetings/climatology2018>

Provide a travel grant request by Wednesday, June 13, 2018 to Victoria Hartwick, victoria.hartwick@gmail.com containing:

1. A one-page description of how your participation in this meeting will benefit you professionally and contribute to the field of comparative climatology,
2. Your abstract, and
3. Your resume

The expectation is that those selected for travel grants will be notified by Friday, July 6, 2018.
