

## VEXAG Venus Exploration Events at LPSC

A Venus special oral session, 21<sup>st</sup> Century Venus I: Atmosphere to Interior will be held at 1:30 p.m. on Tuesday, March 20, 2018 in Waterway Ballroom 5, followed by a poster session that evening.

Venus Exploration Analysis Group (VEXAG) will conduct our annual VEXAG Breakfast, a Venus Town Hall Meeting, and a late afternoon Early Career Scholars Mixer at LPSC on Thursday, March 22, 2017.

The objective of this Venus Town Hall meeting in Waterways Meeting Rooms 1-3 at 12:00 to 1:15 PM is to encourage a community discussion and receive feedback on the current Venus community activities. Agenda items will include an update on both VEXAG and NASA Planetary Science Division activities.

Also, please, join the VEXAG Student/Early Career Scholars Focus Group for an Informal Meet and Greet (no-host bar) at the Acqua Lounge on Thursday afternoon at 5:00 to 7:00 PM after the oral sessions and before the posters. Please check the VEXAG - Early Career Scholars Facebook page for more information:
